Degree/Board	Institution	Year	CGPA/%
B.Tech, CSE	National Institute of Technology Raipur	2029	8.08/10.0
CBSE – XII	Vanita Public School, Varanasi	2024	86.5%
ICSC – X	Bal Bharatiya School, Varanasi	2022	95.8%

TECHNICAL SKILLS

Languages: C/C++, Java, Python
Web:OpenCV, NumPy, PyTorch, HTML, CSS, JavaScript
Utilities: Git, Github, CAD, VS Code
Soft Skills: Leadership, Quizzing, Designing, Athletics
Core Subjects: Computer Vision, Deep Learning, Robotics, Database Management
Operating System: Windows, Linux

PROJECTS

Campus Buss

Web Development

- Developed a comprehensive web-based platform to manage, coordinate, and showcase university campus events with complete backend database integration.
- Streamlined data storage and retrieval workflows, contributing to robust database design as part of a collaborative cross-functional team project.
- Tech Stack : **HTML, CSS, JavaScript, Database Management**

DCGAN (Deep Convolutional Generative Adversarial Network)

Artificial Intelligence / Deep Learning

- Implemented an advanced DCGAN deep learning architecture using PyTorch to generate high-fidelity synthetic images.
- Applied custom loss functions and adversarial training techniques to optimize neural network convergence and sample quality.
- Tech Stack : **Python, PyTorch, NumPy**

Conditional DCGAN

Artificial Intelligence / Deep Learning

- Engineered a Conditional Generative Adversarial Network (cDCGAN) to incorporate embedded class labels alongside image features for targeted generation.
- Successfully generated class-conditioned synthetic data outputs to improve deep learning training performance.
- Tech Stack : **Python, PyTorch, NumPy**

Black Line Follower Robot

Robotics

- Designed, prototyped, and constructed an autonomous line-following robotic system leveraging infrared (IR) sensors and hardware microcontrollers.
- Tech Stack : **CAD, IR Sensors, Embedded Robotics Hardware**

ACHIEVEMENTS

- Solved over 587 algorithmic problems across competitive coding platforms, maintaining a maximum practice streak of 85 consecutive days.
- Leetcode **Silver, Max-Rating: 1521**
- Codeforces **Pupil, Max-Rating: 987**
- Codechef **2-star, Max-Rating: 1426**
- CodeChef Starters 249 **Global Rank:2877**
- Codeforces Round 1104 **Rank: 9497**
- Leetcode Weekly contest 517 **Rank: 6839**
- Maintained an aggregated technical performance portfolio indexing strong foundational skills in Data Structures and Algorithms.

POSITIONS OF RESPONSIBILITY

Executive

Sahyog, NIT Raipur

2026-2027

- Actively drove campus-wide event planning, operational logistics, and public relations for club initiatives
- Handled core technical implementations, digital coordination, and system support for club-sponsored events.
